

Character Ink Private Tutoring Offerings

Character Ink tutors, Ray and Donna Reish, are offering private tutoring in SW Fort Wayne on various days and evenings! We offer tutoring in the following subject areas, but we are also available for homework help in content areas (study skills, test prep, note-taking, time management, etc.): Use this service in the summer to catch up or get ahead in a subject area.

- 1) **Writing**--sentence, paragraph, report, essay, story writing; all levels; Directed Writing Approach to get non-writers writing immediately! Taught by a writing curriculum author of over 100 books totaling over 50,000 pages!
- 2) **Math**--from elementary through twelfth grade....your curriculum or one of our choice; remedial, brush up, SAT prep, and more. Taught by a math professional (former CPA and CMA).
- 3) **Reading**--from first grade and up; phonics, reading comprehension, reaching reading fluency, and more. We have been trained in Orton-Gillingham methods to help students with dyslexia.
- 4) **Grammar/Usage**--taught in conjunction with writing or alone; parts of speech; punctuation; editing; spelling/structural analysis; and more.
- 5) **Science**--elementary through high school--basic science, earth science, physics, biology, advanced biology, chemistry; taught by an experienced science teacher who has taught all of these subjects to many small groups for over 15 years and is a math professional.
- 6) **Hire-a-Teacher**---Private tutoring sessions may be used for one of us to teach your students a subject that you want to delegate to someone else! This will be like a class in that we will go through that subject's book, grade, review, and assign homework. This may be one or two sessions per week, depending on the difficulty of the subject and/or the student's experiences with the subject.

Private Costs: Private tutoring for Ray and/or Donna is \$25 for a 45-minute session. A minimum number of scheduled sessions must be maintained in order to take a teaching spot.
